

Sialens Wylt Dydd Mercher ym Mharc Trelai

Hwyl AM DDIM i'r Teulu, 27 Chwefror, 10yb - 3.30yp

Ble bynnag yr ydych a beth bynnag yr ydych yn ei wneud, mae'r tywydd wastad hefo chi. Caiff effaith fawr ar fywyd gwyllt, a mae'n newid yn dymhorol.

Weithiau mae'r tywydd mor amlwg caiff ei anghofio. Dewch a'ch meteorolegwyr bach hefo chi ar gyfer diwrnod o wyllo cymylau, casglu dŵr glaw, mesur cyfeiriad y gwynt a neidio dros byllau dŵr gyda'n tîm Rhoi Cartref i Fyd Natur yng Nghaerdydd.

Wild Challenge Wednesday in Trelai Park

FREE Family Fun, 27 February, 10am - 3:30 pm

Wherever you go and whatever you do, the weather is always with you. It affects wildlife in loads of ways, and changes seasonally.

Sometimes the weather is so obvious it goes unnoticed. Bring your little meteorologists along for a day of watching clouds, capturing rain, seeing which way the wind blows and puddle jumping with our Giving Nature a Home in Cardiff Events Team.
